RE: 41st Annual Ice Show – March 25, 2018

First of all, welcome to our new skaters who have joined our winter session and welcome back our returning skaters! Although we are just beginning our winter program we wanted to notify you of our upcoming Ice Show. It is the grand finale at the end of our season. Our 2018 Ice Show is on **Sunday, March 25. Show #1 - 11:30am and Show #2 - 4:00pm.** Rehearsal is tentatively scheduled for **Saturday March 24 (4-8pm).** Final times will be announced at a later date. **(PLEASE BE SURE TO MARK THESE DATES ON YOUR CALENDAR).**

For those of you who have not had your child enrolled in our skating program before, this event is a fun filled afternoon where all of our children from Pre-Can to Senior get an opportunity to showcase their skills to their family and friends. Our theme this year is **“Imagination - Follow Your Dreams”**. As in previous years, costumes will be made by seamstresses at a cost of **\$60** (which also includes any extra ice time for rehearsals). **Payment is due by Saturday JANUARY 27, 2018.** Payments can be made by cash, cheque or paypal invoice. The seamstresses will take measurements on **Tuesday January 16, Thursday January 18, Saturday January 20, and Sunday January 21** at the rink. Skaters will be taken from the ice in groups during their CanSkate session to have their measurements taken. Our treasurer will be on hand to accept payment during these sessions. If you are unable to make your session the seamstress will also be available **Saturday January 27 from 9am-12noon** at the Glacier in the viewing room. This will be the last opportunity for your child to be measured and payments to be made.

PLEASE NOTE: It takes a lot of organization to put off a successful year end ice show. Please ensure your child does not miss out on this opportunity by respecting the above date for payment. After the January 27 deadline there will **NOT** be another opportunity to take part in the ice show.

Also note that your child will perform in the CanSkate level they are in now even if they pass and move to the next CanSkate level in February or March. Please complete and bring the attached form with payment on or before the January 27 deadline.

Once again this year our Ice Show Committee is calling on all parents to help in any way they can to make this show a great success. If you are able to volunteer please write your name and contact information on the form provided. We realize that everyone is quite busy however; any help you can provide in preparation for the show would be greatly appreciated.
