RE: 41st Annual Ice Show – March 25, 2018

First of all, welcome to our new skaters who have joined our winter session and welcome back our returning skaters! Although we are just beginning our winter program we wanted to notify you of our upcoming Ice Show. It is the grand finale at the end of our season. Our 2018 Ice Show is on **Sunday, March 25 at the Glacier Arena. Paradise Skaters will be in the 11:30am Show and Glacier Skaters will be in the 4:00pm Show.**

For those of you who have not had your child enrolled in our skating program before, this event is a fun filled afternoon where all of our children from Pre-Can to Senior get an opportunity to showcase their skills to their family and friends. Our theme this year is **“Imagination - Follow Your Dreams”**. The music for our Pre-Canskate performance this year is **“The Teddy Bear Picnic”**. With this in mind, we are hoping that our pre-can skaters can wear a costume of choice from home and bring a Teddy Bear along with them.

Our Pre-Canskaters will skate early in the show. After their performance, the skaters and their parent/guardian will be able to go back to their seat to enjoy the rest of the show (There is assigned seating for our pre-canskaters and their parents).

Tickets will be going on sale for this event in late February/early March and will be available during the can-skate and pre-can sessions. Admittance for all pre-canskaters who participate in the show is free, however parents/guardians must purchase a ticket. Please be aware that notices pertaining to ticket sales will be posted in advance at the arena and on our website and facebook pages.

Note: Please let us know by Saturday, February 24th if you plan to attend the show by emailing mppskate@gmail.com. We will only have room in the assigned area for skaters that confirm they plan to participate in the show and 2 parent/guardians.
